## INTERNATIONAL YOUTH FOOTBALL TOURNAMENTS

# SPAIN

### Costa de Barcelona-Maresme

The coastline where we organise our international youth football tournaments, the Costa de Barcelona-Maresme, stretches along 50 km from Tordera in the North to Barcelona in the South. Malgrat de Mar, Santa Susanna, Pineda de Mar and especially Calella de la Costa are lively and well established internationally known destinations and offer in addition to long sandy beaches, numerous sidewalk cafés, restaurants and discos. And of course you will find at least one football “stadium” in each town!

Event collaborations between the clubs in Pineda de Mar, Blanes, S. Susanna, S. Pol, Santvicentí and KOMM MIT, supported by the local town halls.

Games are played on artificial turf pitches e.g. in Malgrat de Mar, Pineda de Mar, Arenys de Munt, Sant Vicenç de Montalt, S. Susanna, S. Pol and Mataró. All stadiums have changing rooms and showers.

The teams are staying in holiday hotels and occasionally in apartments (according to country standards) along the Costa de Barcelona-Maresme – e.g. in Calella, Pineda de Mar, Santa Susanna, Malgrat de Mar; partially also in Blanes and Lloret de Mar – in rooms with three or four beds with shower/toilet. Adults, travelling with the teams, are accommodated in double rooms. Upon additional supplement you can book one single room every 20 persons or per team in case of a smaller group.

You can expect full board (Spanish and international cuisine) where the first meal is dinner and the last meal are packed lunches (instead of lunch at the hotel). Usually the meals are served as buffet and for breakfast beverages such as coffee, tea and juice are included.

Besides the football pitches and the beaches, the region offers a lot of excursions and recreational activities: a visit to Barcelona, the capital of Cataluña, the famous “Sagrada Familia”, the harbour, “Las Ramblas” and of course the stadium “Camp Nou” is definitely a highlight for everyone. The adventure parc “Activ Natura” invites you to be sportive and in Marineland animals are the stars.
