### COVID-19 REGULATIONS

### Covered for the worst case scenario

Despite the current development, we firmly believe that the situation will ease again after the winter (as it did in 2020 & 2021) and that the tournaments will take place as planned in 2022.

So for the time being, you can plan as normal, make your booking for a tournament and, if the worst comes to the worst, react accordingly and even cancel your booking at short notice.

All participants have the right to cancel their participation at any time if there are travel restrictions and/or certain measures (e.g. 2G) that make a "normal" implementation impossible.

The first payment is not due until 1 March 2022 (registration fee + 10% deposit). The same applies for the Easter tournaments, but the full amount is due here.

In case of cancellation or non-participation for the reasons mentioned above, all participating teams (if already paid) will have their payments refunded to 100%.

You choose one accommodation category and talk to the team and parents in peace. A mixture of different categories is also possible.

### 4th step:

Once you have discussed everything, you can then complete the binding registration using the online registration form.

### 5th step:

After registration you will receive a booking confirmation from us & have the possibility to change your booking up to 10 weeks before the start of the tournament.

### 6th step:

2 weeks before the tournament, you will receive the schedule, the address of the accommodation and further information about the tournament from us.

## CLUB EVENING

### We come to your club and show you the whole variety of our tournaments

If you are interested in our tournaments, you can either organise a club evening at your club or take part in an already organised club evening. We visit you at your club and present the variety of our tournaments in a relaxed atmosphere.

All participants are provided with drinks, a few snacks and a small welcoming gift. If you register with us as a result of such an evening, then there will be another surprise for you.

Those who organise a club evening together with us will of course be appropriately rewarded by us. We look forward to your request and our evening together!

## GOALS 4 WATER

NEVEN SUBOTIC FOUNDATION

Score goals for a better & healthier life for others! That is the motto of GOALS 4 WATER. Together with the Neven Subotic Foundation, we are building drinking water wells in Ethiopia & you can help us give people a better future.

NEVEN  
SUBOTIC  
STIFTUNG

You as a team decide until shortly before the start of the tournament whether you want to take part in the "GOALS 4 WATER" project.

If you decide to participate in the project, you as a team individually determine the amount that you would like to donate for each goal scored.

The BALLFREUNDE double your chosen amount so that, for example, a goal donation of 1 € will become a total of 2 € per goal for the project.

The billing & payment will take place directly after the tournament through the Neven Subotic Foundation and the club will receive an official donation receipt.

Your goals and the contribution you make will give people in Ethiopia access to clean drinking water. Together we can make the world a little better!

If you have any further questions about the project with the Neven Subotic Foundation, please feel free to contact us at any time! We are looking forward to making a better life possible for many people together.

## ALL THE IMPORTANT DETAILS ABOUT YOUR UNFORGETTABLE TOURNAMENT EXPERIENCE

### – IS THERE A MAXIMUM NUMBER OF PLAYERS?

You can take as many players as you want. It would be a shame if some had to stay at home for such a tournament.

### – ARRIVAL AND MOBILITY ON SITE?

The prices do not include travel. We recommend that you also are mobile at the tournament, as we cannot offer a shuttle service from the accommodation to the tournament. If you don't have a car, we would be happy to make you an offer for traveling by bus or train.

### – DO WE HAVE TO TAKE CARE OF FOOD?

We offer almost all accommodations with half board, so you will be well taken care of in the morning and in the evening. So that you are also taken care of at lunchtime, you will find various food trucks on site for a small snack in between.

### – CAN PARENTS AND COMPANIONS COME WITH US?

Parents or siblings are welcome to come to the tournament with you. The tournament is even more fun with the right fan club. Of course we will also accommodate you all in the same accommodation, as you want to experience the tournament together.

### – IS THERE A FIXED REGISTRATION DEADLINE FOR THE INDIVIDUAL TOURNAMENTS?

There is no fixed registration deadline, but we recommend that you start planning as soon as possible, as many tournaments are booked out early. We are also happy to reserve a starting place for you for a desired period.

### – CAN I PARTICIPATE WITH MORE THAN ONE TEAM OR CAN OTHER TEAMS FROM MY CLUB ALSO TAKE PART?

If we still have free places, we would be very happy if you made our special tournament an end-of-season trip for the whole club. You can of course speak to your coaching colleagues and pass this information on to them.

### – DOES THE NUMBER OF PARTICIPANTS HAVE TO BE DETERMINED WHEN REGISTERING?

In order to offer you maximum flexibility, you can change your number of participants free of charge 10 weeks before the tournament - the number can therefore be adjusted again without any problems. In order to cover sickness-related absences, however, a private travel insurance is advisable.
